## Degree Offered

### *Bachelor of Science in Dental Hygiene*

## Admission

To get an application, go to [www.hsc.wvu.edu/sod/departments/Hygiene/admission.html](http://www.hsc.wvu.edu/sod/departments/Hygiene/admission.html) and follow the "Apply On-line" link. You may also get an application by contacting the Division of Dental Hygiene, West Virginia University, P.O. Box 9425, Morgantown, WV 26506, or the Office of Admissions, Health Sciences Center, West Virginia University, P.O. Box 9815, Morgantown, WV 26506. The application should be received by April 1st proceeding the fall semester you are applying for.

If you have no previous study in higher education, you will apply for admission as a freshman at WVU. You must have a diploma from an accredited high school or preparatory school. The following high school classes are required:

- four units of English
- two units of algebra
- one unit of plane geometry
- one unit of biology and
- one unit of chemistry

We pay particular attention to scholastic achievement in science courses. We also expect applicants to rank in the upper half of their graduating classes. Physical strength with the ability to sit and stand as required, fine precision bilateral manipulative hand/motor skills, adequate visual acuity, eye/hand/foot coordination, and emotional stability are essential characteristics for individuals who wish to enter and continue in the dental hygiene program. They must meet other medical qualifications as required. Reasonable accommodation will be considered for students with special needs.

We require that you take the American College Testing Program (ACT) examination or the Scholastic Aptitude Test (SAT). The Dental Hygiene Admissions Committee reviews all applications. If you are among the most qualified, you may be invited to come to the campus for a personal interview. Competition for admission is intense. Preference is given to residents of West Virginia.

## Degree Completion Program

If you are a registered dental hygienist, you can be admitted directly to the Division of Dental Hygiene as a full-time or a part-time student. To be eligible for the degree completion program, you must have a certificate or associate's degree from an accredited dental hygiene program. You can transfer lower-division credits (see "Suggested Dental Hygiene Curriculum"). Your acceptance and placement in the program depend upon your academic record and upon the number of spaces available.

When you apply, we ask you to include complete records of previous study. An official transcript needs to be mailed to us by the registrar of your previous school. Include catalog descriptions of the courses taken. If you are currently enrolled in a certificate or associate's degree program, include your program of study. You are responsible for the submission of a complete record package. You can enter the degree completion program twice a year. Applications can be obtained after September 1st of the year preceding application to the program. The *WVU Health Sciences Center Catalog* contains complete information about the program in dental hygiene.
